## DETAILED ACTION

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David E. A. Jordan on March 22, 2007.

The application has been amended as follows:

#### *In The Claims*

16. (Currently Amended) ~~A computer program residing on a computer-readable medium, A~~ computer-readable medium having stored therein a computer program comprising computer instructions to be executed by a computer for causing a the computer to:

establish a data connection between a client computer and a terminal server, the terminal server being disposed in a geographic location;

receive client data of the client computer and a terminal server identifier of the terminal server, from the terminal server;

determine the geographic location of the terminal server using the terminal server identifier;

query a database to identify geographic location specific service data associated with the geographic location of the terminal server; and

automatically send the geographic location specific service data associated with the geographic location of the terminal server to the client computer.

Claims 17-21, in line 1, replace "The computer program" with --The computer-readable medium--.

***Allowable Subject Matter***

2. Claims 1-24 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest determining the geographic location of the terminal server using the terminal server identifier; querying a database to identify geographic location specific service data associated with the geographic location of the terminal server; and automatically send the geographic location specific service data associated with the geographic location of the terminal server to the client computer, as specified in independent claims 1, 11, 16, and 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Dillon et al (US Patent No. 6,546,488 B2) discloses broadcast delivery of information to a personal computer for local storage and access.

Reisman (US Patent No. 6,769,009 B1) discloses method and system for selecting a personalized set of information channels.
